

Prophecies with a Divine Answer!!!

A Message from God to The World of Mankind!!!

Book Excerpts

2012 Mayan Calendar Nostradamus Bible Code

As you navigate around this website and the reading of these book excerpts, we ask that you have an open mind and that you leave your Religion and Religious Beliefs at the door, even if you don't have a belief in a spiritual realm or that of God.

There have been many books written on prophetic writings of Nostradamus, Bible Code, Mayan calendar and others. But none of them give a clear view of understanding or give a complete answer as to why these prophecies were written. Now with backing of God (with proof), that can be accomplished with this book. This book also gives understanding on what being Clairvoyant truly means, what the spiritual realm is all about and why we have so many problems on this planet when it comes to religious belief systems.

Many today are asking questions concerning December 21st 2012 (Mayan Calendar), this book should calm your thoughts of the future and that particular date. This book should be able to help everyone to understand on what everyone can do to help bring a better tomorrow for everyone, including our Governments and Religious belief systems. Because there is something everyone can do to help us all through these rough times of misunderstanding.

When I first sat down to write the first release of this message/book in March 2002 I had two (2) unique visitation experiences from this spirit that we all call God, which are documented in this book along with a picture from the second (2nd) visitation (which also can be seen on the website for this message/book). I released the first (1st) version in March 2003 as an eBook and then in June 2003 in paperback. At the time I had no knowledge of the Mayan Calendar (Dec. 21st 2012), Saint Malachi's prophecies of the Papacy of the Roman Catholic Church, the second (2nd) book concerning the "Bible Code" written by Mr. Michael Drosnin and released in 2002 (of which I had no knowledge of until December 14th 2003) , and of course the latest discovery of the book called "The Lost Book of Nostradamus" in 1994, which was revealed to the public on the "History Channel" (a television cable channel) in October 2007.

When I mention about visitation from this spirit we all call God, it was done by my asking God's presence with questions being asked and that when and if God would appear or make thy presence known it would validate and give a response of a "Yes" answer to all of my questions as well as proof that there is a spiritual realm and a God. Then in 2005 I would ask God again many questions and asking for thy presence once again, this would be my third (3rd) request. This request was the fastest and boldest response I ever received from God. It took place during my 35th High School Class Reunion. This third (3rd) visitation prompted me to continue with this message/book. You can read about this visitation in my edited letter to my fellow classmates who attended this reunion, you also can listen to what took place from my Podcast (Podcast 4) archives.

Let us begin with some of the Book Excerpts.

Mother Goose and Grimmy

Excerpt 1

Concerning this Grimmy comic from February 1st 1996:

After my trip to New Jersey and the visitation experience in 1995 (as I stated before that I didn't reveal my prayer to anyone until the year 1999), I went by the rule of life "let's live life out and see what transpires." In the office I was working in, a person with clairvoyant/psychic powers began working in the office and I was told this, I was also informed that this person was told of my abilities as well. At the beginning of January 1996 I confronted this individual and stated to him "If you can read people then read me," in other words give me a psychic reading. This person then said: "It's very strange. But the only thing I can see is that you will be studying on the man Nostradamus within the coming year." I replied "Thank You." I immediately thought of my prayer and what took place in 1995, and I did not tell this person of my prayer. This prayer requested that I receive information on the man Nostradamus and in the way of using the number three (3). This prayer is in the book.

On the morning of Feb. 1st 1996, on my way to work I failed to pick up the morning newspaper (which I have picked up the morning newspaper many times before this day). Well to my surprise that morning a fellow worker arrived late to work and proceeded to hand me the newspaper, I stated that "it was late in the morning and don't need it now," this person replied "take it and read it, for there may be a message in it for me," I thought of this comment as weird, so I said ok let me read it. Like all mornings I usually open the newspaper to the comic section first (my favorite comic is Mother Goose and Grimmy) and this is what I did that day as well. And to my amazement I would see this comic mentioning Nostradamus (as you see above). Along with this peculiar incident I would then read my Astrological Horoscope for the day and it mentions something about "using my secret weapon until the last moment," I chuckled. It would not be the only time that day that I would come across the name of Nostradamus.

During the course of the day I would be presented with the name of Nostradamus three (3) times by the same individual that brought me the morning newspaper. The second (2nd) time would be after work when this person knocks on my door with a smile and proceeds to mention about shopping in a record store and coming across this CD recording from a movie on Nostradamus and thought I would like it. The third (3rd) time would take place after dinner with this individual in a video rental store where we would come across the same movie title of the CD he brought me earlier (which was a movie on the life of this man Michel Nostradamus, a clairvoyant from the 1500's). For numerologists and everyone else reading this book/message the number three (3) appears all over this occurrence in my life that day. The movie also had a message in it for me that day, which I watched intently that evening by myself.

Excerpt 2

During the month of June and early part of the month of July 1999 many acquaintances and friends of mine would have conversations concerning the movie "Nostradamus...The Man Who Saw Tomorrow," and its revelations concerning the year 1999 that New York City would be bombed and there would be war. My response to them was "we are not going to have war and that this bombing and war would not happen for a few years from now." Then on July 16th 1999 there was a plane crash that involved John F. Kennedy Jr., I responded to my friends and people that I had conversations with, that this is what Nostradamus was writing about in his prophecy of Century 10 Quatrain 72. This prophecy talks about a powerful, alarmed King shall come from the sky. Well J.F.K.Jr. was in his own right a King over his own little empire, he founded "George" magazine. His royal bloodline extends to Ireland. Also as most everyone knows of his father John F. Kennedy the 35th President of the United States of America. On the night of the plane crash I am sure he was alarmed as to where the location he was at over water at night, it has been stated he wasn't accustomed to flying at night. More on this prophecy in the book, it also has the number three (3) appear all over it.

Excerpt 3

In September of 1998 I would come in contact with the person that introduced me to name of Nostradamus back in February 1996, he now would introduce me to another prophetic item and that being; "The Bible Code" book authored by Mr. Michael Drosnin. We would get together with a few friends one night during this month of September to watch a documentary on this book. After the show I stated to them that they would find my nickname "Homey" in this code, of course they chuckled. During the month of June 2000, I would come in contact with an old classmate nicknamed "Rose," who I haven't had contact since 1969. We talked over the telephone and she asked me if I had any knowledge of "The Bible Code." I responded yes and that we would find my name in the "Code." We planned to get together after I came back from a trip that took place in early July. "Rose" would bring the CD program for this "Bible Code" which the show had offered. When we met I stated to "Rose" that my nickname and two other words would be the "Key" that would unlock the "Bible Code," where it would reveal our past, present and future. Since this program highly suggest using the Hebrew text to locate names, places or any item of interest, it was fortunate that "Rose" knew Hebrew, we proceeded to work with this computer CD program and it didn't take long to find my nickname and the two other words associated with me.

Take note that I wrote about this in the first release and when I sat down to write this message/book in March of 2002. At the time I was not aware of the second (2nd) book on “The Bible Code” that Mr. Michael Drosnin released in 2002. It wasn’t until December 14th 2003 that I knew or heard of the “Bible Code II” book from a show I would watch on the “History Channel” (A Cable Channel Network) that night. Eventually I would come across this second (2nd) book by Mr. Michael Drosnin in the beginning of January 2007. What Mr. Michael Drosnin wrote in the last three (3) sentences of his introduction of this book did not surprise me. He mentions about “searching for a “Key” that would unlock the “Code” for it could possibly tell us our past, present and future.” Well at this time in the first (1st) and second (2nd) release of this message/book I give the other two words. After all it is for all, could it help us to understand what our future is? Could it help us avert future destruction of wars? I say yes at this time with using the words that I stated earlier, which is in the message/book. Of course the people that know how to work this CD program would know how to use these words to unlock the “Code.” I myself don’t know how to use this CD Program, but do know what it will reveal with our ultimate future of 2012. This is information that our Governments and Religious Leaders don’t want anyone of the general public to know, but I have no problem telling it to you.

Excerpt 4

In one prophecy that Nostradamus wrote, he mentions the words “metal fish” (Century 2 Quatrain 5), at the time of his life if he had written the word “submarine” he would definitely have been considered absurd and a crazed man, which he already was by some. Please take note that Michel Nostradamus was at the time and even now considered by many as a “Prophet,” because of his uncanny accuracy, giving names, dates and titles of many. Michel Nostradamus never wrote down laws for Humanity/Mankind nor wrote anything that would change the Laws of God that can be found in the Holy Scriptures (Holy Bible). Also keep in mind that he wrote in a manner that only the gifted would be able to understand many of his prophecies, though there are some that everyone could understand there meaning, but only after the event or prophecy would be fulfilled. Though there are some that can be understood for purpose of averting that destructive prophecy.

Excerpt 5

There is a set of certain prophecies titled “Our Lady of Fatima” which has been held in secrecy by the Roman Catholic Church, but over the past forty (40) years the Vatican has released portions of these prophecies to prove that these prophecies of “Our Lady of Fatima” are real. Recently they released information about a Pope of the Church being shot. This did take place when Pope John Paul 2 was shot. This particular event was also written in a prophecy by Michel Nostradamus in Century 2 Quatrain 97, two (2) separate prophetic writings should give proof to the validation and realism of prophecy and prophecies of our lifetime.

There are many that would like to discredit any prophetic writings, even the Roman Catholic Church would like nothing more than discredit the writings of Nostradamus, because he wrote about certain Popes or the Papacy of the Roman Catholic Church.

A few last comments at this time:

With all the understanding that prophecies, clairvoyancy and a spirit realm are real, the biggest question I get asked (even I ponder it): “Where did all these planets, universes and even “God” start or began or how did it become active?” Even with science claiming the “Big Bang” theory, something had to make that happen. I truly feel we will all know and get that answer in the near future. Because that is one of the questions I asked of “God.”

If December 21st 2012 or within the next three (3) years thereafter does not happen, it sure would be great to find that Humanity/Mankind had found peace amongst all with no wars and a global universal belief system. But yet I feel there will be mass pollution, gang warfare in the streets or arguments between neighbors and families, and people that do not believe in a spirit realm or that of “God,” these actions will cause havoc and disruption to those that do believe in a spirit realm and that of “God.” But yet I have an answer for all (if 2012-2015 does happen) and what will take place and where we all will be found thereafter for those that have faith and belief in a spirit realm and God, as well as those who don’t believe but treat each other with dignity and respect. For it is wonderful, glorious and magnificent.

Always keep in mind these three (3) references from the Holy Scriptures (Holy Bible):

Genesis, Chapter 1, Verse 1:”In the beginning God created the Heavens and Earth.”

Ecclesiastes, Chapter 3, Verse 1:”For there is a reason for everything under the Sun.”

Mathew, Chapter 24, Verses 36 and 37:”Concerning the day and hour no one shall know except God. But as in the days of Noah, will so be that in the day of the Son of Man.”
